Re: Mazzochi v. Windsor Owners Corp., et. al., Case No. 11-cv-7913 (LBS)
Our File: 5605-25

Dear Judge Sand:

This firm represents all fifteen Defendants in the-above captioned case. We write to Your Honor to respectfully request an enlargement of our opening memorandum of law which will be submitted in support of an upcoming pre-answer motion to dismiss the Amended Complaint.

Although we are permitted 25 pages pursuant to Section 2.C of Your Honor's Individual Rules, we will not be able to do so given the fact that Plaintiff has brought six different causes of action on his behalf and on behalf of a "Jane Doe" under several different statutory schemes each with very complex legal requirements, and most are against different groups of defendants. Accordingly, we therefore write to respectfully request an enlargement of the opening brief to 35 pages, not including the table of contents and authorities.

We hope that this request meets with Your Honor's approval.

Respectfully Submitted,
Deborah B. Koplovitz
